Case No. 13-cv-03810-BLF

**ORDER DENYING WITHOUT
PREJUDICE STIPULATED REQUEST
TO REOPEN DISCOVERY**

[RE: 118]

12
13 On July 2, 2015, the parties submitted a stipulated request to reopen discovery along with a
14 proposed order containing a blank space for the Court to insert a new discovery cut-off date.
15 While the Court finds that good cause exists to reopen discovery, the Court has no sense of what
16 would be a reasonable discovery cut-off date because the parties have not provided any
17 information as to how long they need to complete the additional discovery. Accordingly, the
18 stipulated request is DENIED WITHOUT PREJUDICE to submission of a renewed request that
19 includes a proposed discovery cut-off date.

20 **IT IS SO ORDERED.**
